

THE CHRISTMAS SONG

SD-223

Vocal by Don McWhirter

OPENER, MIDDLE BREAK & CLOSER:

Circle left. *Chestnuts roasting on an open fire, Jack Frost nipping at your nose. **Left allemande**, home you go **dosado**, the **men star left** one time you go. **Turn your partner by the right** hand round, **left allemande** and **promenade**. **Although it's been said many times, many ways: Merry Christmas to you.

Figure (twice for heads, twice for sides):

Heads (sides) square thru four hands and go. 'Round that corner with a **dosado**. **Swing thru** down the line, the **boys run** right. You **tag the line, all face right**. Do a **wheel and deal**, then **turn thru**. **Left allemande** and **promenade**. **Although it's been said many times, many ways: Merry Christmas to you.

*You know some turkey and some mistletoe help to make the season bright.

*So I'm sending you this simple phrase, it hits from one to ninety-two.

**Hug 'em up tight, gonna whisper tonight.
