

WHAT A WONDERFUL WORLD

SD-227

Vocal by Michael Kellogg – Northridge, California

Based on the song by Sam Cooke

OPENER:

Sides face **grand square**. Don't know much about History, don't know much about Biology. Don't know much about a Science book, don't know much about the French I took. **(Allemande and weave)** But I do know that I love you, and I know that if you love me too, what a wonderful world this would be. What a wonderful world this would be.

FIGURE (twice for heads, twice for sides): Heads (sides) swing thru, the girl fold behind. **Peel your top**, and then **extend**. **Swing thru** tonight, the **boy will run** right, **bend the line**, go **right and left thru**. **Flutterwheel** on across the ring, and then **slide thru**, **swing** the corner, **promenade** you do. What a wonderful world this would be. What a wonderful world this would be.

MIDDLE BREAK:

Sides face **grand square**. I don't claim to be an A student, but I'm trying to be. For maybe by being an A student baby, I can win your love. **(Allemande and weave)** But I do know one and one is two, and if this one could be with you, what a wonderful world this would be. What a wonderful world this would be.

CLOSER:

Sides face **grand square**. Don't know much about Geography, don't know much trigonometry, don't know much about algebra, don't know what a slide rule is for. **(Allemande and weave)** But I do know one and one is two, and if this one could be with you, what a wonderful world this would be. What a wonderful world this would be.
