

WISH I DIDN'T KNOW NOW

SD-231

Vocal by David Mee – Grand Terrace, California

Based on the song by Toby Keith

OPENER:

Circle left. I never asked you where you're goin'. I've never asked you where you been. **Left allemande** your corner, **dosado, left allemande** and **weave**. I've never tried to catch you lyin'. I didn't wanna know the truth. ****I'd rather go on lovin' blind girl; than go on lovin' without you.**

Alternate tag line:

****Please don't say you're sorry; I might wait another day.**

FIGURE:

Heads (sides) you gonna **promenade halfway** round. Walk in and **square thru four** now. Go all the way, **swing thru, boys run** right, **couples circulate** one time. **Half tag, follow your neighbor. Half spread** and **swing** that corner lady 'round and **promenade**. I'd rather go on lovin' blind girl; than go on lovin' without you.

MIDDLE BREAK & CLOSER:

Sides face **grand square**. I wish I didn't know now what I didn't know then; I wish I could start this whole thing over again. I'm not sayin' that you could ever be true, I just don't wanna know. **Allemande left** and **weave the ring**. You'd still hold my heart in the palm of your hand; I'd still look like a fool in front of your friends. Well, I wish somehow I didn't know now what I didn't know then.

TAG:

Yeah. I wish somehow I didn't know now what I didn't know then.

Use these lyrics for the Opener:

I never asked you where you're goin'. I've never asked you where you been. I never called to check your story when you stayed out with all your friends. I've never tried to catch you lyin'. I didn't wanna know the truth. I'd rather go on lovin' blind girl; than go on lovin' without you.
