Opener:

Have mercy, Baby, on a poor fool like me. **Men star right**, one time 'round you know. **Allemande left** and **weave**. 'Cause when the loving starts and the lights go down and there's not another living soul around you woo me until the sun comes up and you say you love me.

Figures (Twice for Heads, twice for Sides):

Heads (Sides) Spin the top. Everybody **extend**. Well, do an **acey deucey** now. **Swing thru tonight, boys run right**. **Pass the ocean** here. **Recycle** now, **square thru** and go **3, trade by, swing your corner promenade**. You woo me until the sun comes up and you say you love me.

Middle Break:

Have pity, Baby, just when I thought it was over. **Men star right**, one time 'round you know. **Allemande left** and **weave**. 'Cause when the loving starts and the lights go down and there's not another living soul around you woo me until the sun comes up and you say you love me.

Closer:

Baby, Baby, hope you're gonna stay away. **Men star right**, one time 'round you know. **Allemande left** and **weave**. 'Cause when the loving starts and the lights go down and there's not another living soul around you woo me until the sun comes up and you say you love me.
