

On My Way

Shakedown Records SD348

Phil Collins – From the Disney Animated Movie “Brother Bear”

Words and Music by Philip David Charles Collins

Opener:

Tell everybody I’m on my way, new friends and new faces to see. **Boys star right**, roll it one time ‘round. **Left allemande** and **weave the ring**.

Tell everybody I’m on my way and I’m loving every step I take. With the sun beating down, yes, I’m on my way and I can’t keep this smile off my face.

Figures (Twice for heads, twice for sides):

Heads (Sides) promenade go halfway ‘round, walk in **touch a quarter**, (**Centers walk and dodge**) **Left swing thru** and then, the **girls run left, bend the line**. **Left square thru** go **four hands** around, to your corner **swing**, you **promenade** around that ring. And to sleep under the stars, who could ask for more with the moon keeping watch over me?

Middle Break:

Sides face **grand square**. ‘Cause there’s nothing like seeing each other again, no matter what the distance between. And the stories that we tell will make you smile. **Allemande left** and **weave**. So, tell them all I’m on my way, new friends and new places to see, and to sleep under the stars, who could ask for more with the moon keeping watch over me?

Closer:

Four ladies promenade one time ‘round. Get back and **swing** your man. Join hands and **circle to the left** you know, **left allemande** and **weave the ring**. Tell everybody I’m on my way, new friends and new faces to see. With blue skies above, yes, I’m on my way and there’s nowhere else that I’d rather be.
