## Original Lyrics

### Verse 1

There's a full moon out tonight, and love is movin' in the shadows  
I got no place to run and it's following me everywhere that I go  
There's something in the air; I can feel it everywhere  
All the conditions are right. Someone could lose a heart tonight. Someone could lose a heart.

### Chorus

With all this kissin' and huggin and heavy breathin'  
Fallin' under the spell of the love you're weavin'  
It's gonna get crazy, baby, if you don't stop, someone could lose a heart tonight.  
Someone could lose a heart.

### Verse 2

Lookin' in your eyes tonight don't you know you got me hypnotized?  
Didn't mean to fall in love, but who could leave this paradise.  
I can feel it when we touch, ooh, it's too much  
All the conditions are right; someone could lose a heart tonight. Someone could lose a heart.
